## PAL Scholarship Renewal Application

### Requirements

Scholarship renewal is dependent upon the individual student maintaining **good standing** with their institution of enrollment. PAL scholars **must enroll for 12 or more credits each semester** as well as maintain a **minimum grade point average of 2.0 on a 4.0** scale or the equivalent thereof. A probationary period of one semester after the initial instance of a GPA below 2.0 will allow scholarship recipients to continue to receive a scholarship for that semester. Payments for the following semester is dependent upon a 2.0 GPA or higher for the recently completed semester.

In the event that a student's semester GPA is below 2.0 for a second instance, payment will not be sent, the scholarship will be withheld, and instructions for reapplication to the program will be shared. *\* The maximum number of awarded semesters is not to exceed eight academic semesters within six years of a student's enrollment date. Renewal scholarships are awarded on an annual basis and are contingent upon funds availability.*

### Review

All applications for renewal to the PAL Scholarship Program are reviewed and evaluated based on academic performance and continued financial need as determined by information submitted on an applicant's Free Application for Federal Student Aid (FAFSA).

### Checklist:

The PAL Scholarship Program requires renewal applicants to provide a copy of **ONE** of the following:

- Academic transcript
- Copy of enrollment and GPA verification
- Official grade report

THE DEADLINE FOR THIS APPLICATION IS: **March 1, 2025**

*Students are not expected to pay a fee to obtain the required academic report document.*
